

The Centre for Dreams' Christmas in July will be an evening of fun with friends and family! Runners will make their way through the beautiful golf course route and all guests can visit Santa's Village for a photo with the big guy, a chance to make your own toy in Santa's Toy Shop, and have some fun in the Play Zone. Bring your appetite to the BBQ Dinner and don't forget your blanket so you can cozy up together on the greens and enjoy the outdoor concert featuring amazing local performers.
