The Centre for Dreams

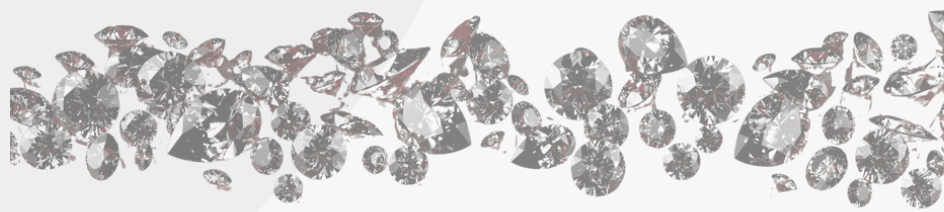

About Us

The Centre for Dreams is committed to empowering individuals with intellectual and developmental disabilities by fostering inclusion, independence, and opportunities for personal growth. Through our innovative and tailored programs, we provide a comprehensive support system that helps our members achieve their goals and live fulfilling lives.

THE CENTRE FOR
DREAMS

Guided by our mission to engage, educate, and empower, The Centre for Dreams creates a safe, interactive, and inclusive environment where members are celebrated for their individuality. Together, we work toward a world where all individuals with intellectual and developmental disabilities are supported to live with dignity, respect, and purpose.

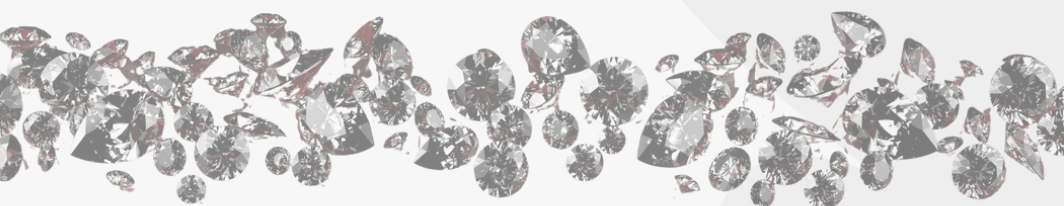

About the Event

For the last 35 years, The Centre for Dreams has been dedicated to creating opportunities, fostering inclusion, and empowering individuals with developmental and intellectual disabilities. To celebrate this milestone, we are proud to host our 35th Anniversary Celebration Dinner, an evening that will bring together our community to reflect, connect, and honour the impact we've made together.

- Reflect on the past.
- Celebrate the present.
- Look ahead to the future we will build together.

Guests will enjoy an engaging evening featuring a buffet-style dinner, inspiring stories from our community, and meaningful moments of recognition. The program will highlight the voices and experiences that have shaped The Centre for Dreams, while offering opportunities to connect with fellow supporters who share a passion for inclusion and impact.

Help Build What's Next

The proceeds from our 35th Anniversary Celebration Dinner will support an exciting and meaningful next chapter for our Centre: the relocation to a new building. The funds raised will help us establish our new home that better serves our community, expands our programs, and creates a welcoming space for years to come.

As our community continues to grow, so does the need for more space to support it. Relocating to a larger facility will allow The Centre for Dreams to reduce waitlists and create more opportunities for individuals with developmental and intellectual disabilities. A bigger space means more room to learn, connect, and thrive, ensuring we can meet the needs of today while preparing for the future. It will also give us the ability to evolve, strengthen our impact, and better support every individual who walks through our doors.

THE NEED AT A GLANCE

OUR WAITLIST HAS GROWN 52% SINCE LAST YEAR.

A NEW SPACE WITH 8 SPECIALIZED ROOMS
WILL ENHANCE HOW WE SERVE OUR
COMMUNITY THROUGH DEDICATED SPACES
FOR LEARNING, CONNECTION, AND GROWTH.

EXPANDING OUR FACILITY BY 106% WOULD
ALLOW US TO SERVE 79% MORE INDIVIDUALS
EACH DAY THROUGH OUR PROGRAMS.
